CHAPTER 2

CHINA: THE GREAT WALL OF CHINA

The Great Wall of China was built to keep China safe from invaders. It is made of bricks, stones, and mud.

CHINA: THE GREAT WALL OF CHINA

CHINA: GIANT PANDA

Giant pandas live in the bamboo forests of China.
They chew on bamboo all day!

RUSSIA: AMUR LEOPARD

Amur leopards live in the snowy forests of Russia. They are great climbers and hunters!

RUSSIA: MATRYOSHKA DOLLS

Matryoshka dolls are painted by hand. They have themes like family, nature, or fairy tales.

INDIA: THE STATUE OF UNITY

The Statue of Unity is in Gujarat. It is as tall as a building of six floors!

INDIA: PEACOCK

Peacocks can make loud calls that sound like "ME-OW". They use these calls to warn other peacocks of danger.

INDIA: ROYAL BENGAL TIGER

The Royal Bengal Tiger has bright orange fur with black stripes. Did you know that no two tigers look exactly the same?

INDIA: ROYAL BENGAL TIGER

The Royal Bengal Tiger is found in several regions across India.

- Sundarbans National Park (West Bengal)
- Ranthambore National Park (Rajasthan)
- Corbett National Park (Uttarakhand)
- Kanha and Bandhavgarh National Parks (Madhya Pradesh)
- Kaziranga National Park (Assam)

CANADA: MAPLE TREE

Animals like squirrels love to eat the seeds of maple trees as a tasty snack.

CANADA MAPLE TREE

Maple Trees in different season

Syrup being collected from the trunk of the maple tree.

Different type of maple syrup in bottle.

CANADA: POLAR BEAR

The thick fur and fat of polar bears help them stay warm.

AUSTRALIA: KANGAROOA

Kangaroos have strong back legs. They can jump very high and far!

AUSTRALIA: KOALA

Koalas sleep a lot—around 18 to 20 hours a day! This is because the leaves they eat do not give them much energy.
